12335-13922-412 REV. RICHARD GARY FENNER AND GERRI LEE EMMONS

[b 18 Oct. 1953 at Pensacola, FL] Richard *m* Gerri Lee Emmons on 19 Aug. 1979. Early in his childhood, Richard showed strong mechanical ability and was skilled in wood craftsmanship. At the age of fourteen, he was hired to remodel the interior of a pet store in Atlanta, GA, and in tenth grade he constructed a sixteen-foot sail boat. He also began designing and building off-road race cars in his teenage years. He loved drag racing, quarter-mile dirt track racing, and off-road racing. He once struck a tree in an off-road race, which prevented him from careening down a large ravine, and walked away without a scratch. He remembers the incident as the first time that he felt he had been spared for a greater purpose. Richard graduated from high school with high honors. At age seventeen, he entered Ferris State College (now a university) in Michigan, and he graduated at age nineteen with a degree in Construction Technology. The first *experimental* drive-thru window in the city of Kalamazoo was built by Richard at a downtown Burger King.

When he was twenty-four, he became a Christian, and his faith grew to be the dominant influence in his life and in his family. God helped Richard to achieve great success in bringing many churches together that had always chosen to live separately. The ministry continuously took precedence over the building business, even though Richard was one of the most widely skilled craftsman in Kalamazoo. Richard is the beloved pastor of Glendale Baptist Church in Paw Paw, Michigan. In addition to pastoring, Richard's focus during the 1980's and 1990's was on tent evangelism. He later sold his tents to concentrate on ministry in foreign countries. His travels included Tanzania, Uganda, China, India, and Russia. In 2003, his family moved from downtown Kalamazoo to 12 acres of land south of Mattawan. Richard used the new home to host international guests. E-mail: sermon8tor@aol.com

Gerri graduated from Kalamazoo Central the same year that it was ordered to be desegregated, in 1972. She experienced the tension of separate social circles that blacks and whites had, and the lack of communication between the two groups. She also remembers the inequalities between genders. Girls were not allowed to play sports, and they mostly took homemaking, nursing, or secretarial courses. When Gerri graduated from high school, she considered herself to be an extreme feminist and gender-equality promoter.

Gerri [b 18 Apr. 1954 at Kalamazoo, MI] was extremely active at Glendale Baptist Church and was one of few women to continuously support the functions of the church. She was an inspiration both inside and outside of the church. At work, she found tremendous joy in providing for the needs of the others around her, but this was never more true than when she put forth the same efforts within her own family.
